

CODE REVIEW REPORT

Generated: 2025-11-23 21:08

Author: Lakshy | Project: AI Code Reviewer

Strengths

- ✓ Good function naming.
- ✓ Logic is readable.
- ✓ Code structure is clean.

Flaws / Issues

- ✗ [HIGH] Missing error handling (line 12)
- ✗ [LOW] Unused import 'os' (line 1)

Correct
Issues

Score: 76/100

MEDIUM RISK

Executive Summary

Overall code quality is decent but needs improvements in error handling and dependency hygiene.

Code snippet preview:

```
import os

def hello():
    print("hello")
```
